SPECIAL THANKS

I'd like to thank a few people who, without their guidance and support, this record would not be possible. A very special thank you to Denise Marsa, who believed in me from the very beginning and helped me find "my voice". Denise, I appreciate all you have done for me and for the creation of this record. You have been a great person, as well as mentor to me. This entire album is dedicated to my family and friends for all of their love and support; however, each song on this CD is dedicated to a special person in my life.

Mom-You have always been there for me. I love you so much.

What else can I say? ... *You Know Me By Heart.*

Dad-You have always told me to pursue my dream, so...*The Land Had A Dream.*

Mia-You are my little sister who makes me laugh and smile every day. All I ever wanted when I was younger was a little sister, and I got the best one any person could ask for...*Run Baby Run.*

Abbie- I am so grateful to have you in my life. As long as I can remember, you were always in that front aisle cheering me on...*City Skies.*

Andy-You are the greatest stepfather any kid could ask for...*Sir Dream A-Lot*
